NORAEJJANG

PROJECT TYPE Social media design

YEAR
2023-2024

Noraejjang is a digital platform designed for K-pop fans to connect and engage with the latest updates in the industry. For this project, I developed social media visual content to enhance the platform's online presence and engagement. The designs include event announcements, fun facts, music award highlights, and artist updates, all crafted with a vibrant and playful aesthetic to resonate with the K-pop community.

My role was to translate trending K-pop topics into bold, eye-catching visuals that capture fans' excitement while maintaining a consistent brand identity across all social channels.

NASIMURA

PROJECT TYPE
